

Your vision benefit just became clearer.

UnitedHealthcare Vision is pleased to announce that we now offer the ability to print personalized ID cards from our website. The UnitedHealthcare Vision benefit is still paperless. It is not necessary to have an ID card for service, but we know through member feedback that many members are accustomed to using an ID card, so now an ID card is available for your convenience.

Your ID card will be personalized with your name, member ID, as well as your exam and materials co-pay amounts.

Print your ID card today. It's quick and easy.

HOW TO ACCESS YOUR ONLINE ID CARD:

- 1 – Go to www.myuhcvision.com
- 2 – Log in
- 3 – Click on: "Click Here to Print Vision ID Card"
- 4 – This generates a pdf with your personal benefit information
- 5 – Print. *(It's that easy!)*
