

Is the **Math, Science and Environmental Studies** magnet program a fit?

Take this mini-quiz to find out!

1. Does your child have an interest in and an aptitude in math, science, and the environment?
2. Is your child inquisitive about the natural world?
3. Does your child enjoy the process of discovery?
4. Is your child self-motivated?
5. Does your child work cooperatively with others?
6. Does your child solve problems creatively?
7. Does your child enjoy hands-on activities and using technology?

Thank you for taking the time to complete the quiz!

If you answered "Yes" to at least five of the questions listed above, then the **Math, Science and Environmental Studies** theme may be an ideal fit for your child! Click [here](#) to learn more about the program, including the magnet schools, transportation, and entrance requirements.
