

Is the **Phillip O. Berry Academy of Technology** magnet program a fit?

Take these mini-quizzes to find out!

1. Does your child have the ability to think critically, be successful with academically rigorous courses, and be willing to focus and fully apply his or her gifts and talents?
2. Is your child committed to fulfilling the academic expectations and requirements of his or her chosen Academy program curriculum?
3. Is your child computer proficient, and does your child have experience working with various software and hardware technologies?

If you answered “Yes” to the questions listed above, then the **Phillip O. Berry Academy of Technology** program may be an ideal fit for your child! Please continue with the technology mini-quizzes below to help identify the Academy that suits your child’s interests.

Quizzes by Academy

Academy of Engineering

1. Does your child enjoy being creative?
