

Religious Calendar 2012-2013

The purpose of the Religious Calendar is to identify Major Holy Days which may require an absence from school or school-related activities of the most heavily represented faith groups among CMS students. This is to comply with CMS policy ACD, Section 2, which states: "...examinations and other major events¹ will not be scheduled on religious holidays designated by the Superintendent...".

This calendar was reviewed and approved by CMS's Interfaith Advisory Council (IAC).

Religious observance requests not listed here are covered by policy ACD, Section 3, which states: "students who miss school because of religious reasons should not be adversely affected because of the absence." Schools should code this absence as a religious observance absence.

Parents are encouraged to proactively provide the school with a written notification of an upcoming religious absence.
