The minutes represented on this table are guidelines for "Live" and "On Your Own" remote instruction. There may be times when a teaching and learning session runs long or ends early, but it should not exceed or fall below ten minutes. Specialized Services (EC, EL, TD/AIG, Sections 504): Collaborative planning and intentional services for individualized students served by EC, EL, TD/AIG and Section 504 will take place based on each student's IEP, LIEP, DEP and Section 504 plan(s).
