

# CMS Covid Breakdown

## Key Considerations for Covid Breakdown Report:

- The data reflected in this report assess weekly counts of confirmed cases associated with students learning in-person in EC, Pre-K and K-12 schools, and all staff including other district sites.
- We work very closely with Mecklenburg County Public Health Department and follow the Communicable Diseases Reporting requirements.
- Direct notification and instructions are provided to families of any students and staff who have been identified as a close contact\*.
- Please continue to help us keep our schools and community healthy by wearing a face covering, staying 6 feet apart, and washing your hands.
- For general information re: COVID-19, please visit <https://www.mecknc.gov/covid-19/Pages/Home.aspx> or call the MCPH COVID-19 Hotline at 980-314-9400.
- \* *Within 6 feet of a person currently infected, for at least 15 minutes total, starting 2 days before the person got sick.*
- This dashboard includes positive test data from both the county and families who self-report, and that information is cross-referenced. The county does not report to CMS instances when a CMS student tests positive if the student has not been attending school in-person for 14 days prior to testing positive, because there is not a risk of transmission in the school setting. The dashboard also does not include reporting on students who are enrolled in Full Remote Academy. Therefore, the number of positive cases reported should not be interpreted to represent the actual number of CMS students who have tested positive.

January 30 – February 5, 2021

## Schools

School	New COVID-19 Positive Students	New COVID-19 Positive Staff Members
Ashley Park PreK – 8		1
Bain Elementary	2	1
Barnette Elementary	4	1
Berewick Elementary	2
