

**Motion**  
**Agenda Item VI. B. 11**

**Continue the Rolling Four-Year School Options Planning Process**

November 9, 2016

I move approval of the following motion:

While recognizing that the schools and programs under consideration are subject to change and that final decisions are contingent upon the availability of funding, the Board supports the planning process for new school options and directs the Superintendent to work with School Leadership Teams, parent groups, staff experts and other members of the school community to finalize plans currently under discussion and to develop additional school options proposals through the 2020 – 2021 school year.

In addition, the Board directs the Superintendent to continue the planning process for school options beyond the 2020 – 2021 school year, with the goal being a continuously updated rolling 4-year plan.

As provided in Policy JCA, the Board will vote no later than November of each year on school options for the following school year.

School Options under consideration:

Projected to open in the 2018 – 19 School Year

- Partial magnet at “Albemarle Road Relief” school (Green zone, grades K – 8, dual language immersion theme)
- Partial magnet at Northeast Middle (Green zone, grades 6 – 8, theme undecided)
- Partial magnet at Quail Hollow (Blue zone, grades 6 – 8, theme undecided)
- Partial magnet at Sedgefield Elementary (Blue zone, grades K – 5, theme undecided)
- Partial magnet at Sedgefield Middle (Blue zone, grades 6 – 8, theme undecided)
- Full magnet at Wilson Middle (Blue zone, grades 6 – 8, theme undecided)

Projected to open in the 2019 – 20 School Year

- Full magnet in the northern part of the county (Violet zone, grades K – 8, language immersion theme)
- Full magnet in the southern part of the county (Blue and Green zones, grades K – 8, language immersion theme)
- Full magnet at Waddell High School (Blue zone, grades 9-12, integrated IB and STEM themes)

- Full magnet at Collinswood replacement school (Blue zone, grades K – 8, dual language theme)

Projected to open in the 2020 – 21 School Year

- Partial magnet at “Rea Farm Relief” school (Blue zone, grades K – 8, STEAM theme)
- Partial magnet at Montclair Elementary (Blue zone, grades K – 5, theme undecided)
- Full magnet at undetermined site (Blue zone, grades PK – 6, Montessori theme)
