

Do you need your employment or income verified?

We are pleased to announce that Charlotte-Mecklenburg Schools now uses The Work Number® to provide automated employment and income verifications for our employees.

The Work Number from Equifax is a fast and secure way to provide proof of your employment or income—a necessary step in many of today's life events including obtaining credit, financing a home or automobile, obtaining a housing lease or securing government benefits or services. The Work Number simplifies the verification process and accelerates qualifying decisions through an online system available to verifiers 24 hours a day, 7 days a week.

Hundreds of thousands of credentialed verifiers rely on The Work Number for rapid access to information critical to their decision process, and thousands of employers nationwide have entrusted The Work Number to provide this important service on behalf of their employees.

Additionally, the employees who work for organizations that contribute information to The Work Number can access one (1) free Employment Data Report (EDR) each year through www.theworknumber.com. The EDR provides complete historical employment and income information, as well as a listing of verifier requests for the past two years.

Additional Information

The Work Number service from Equifax is the leading resource for income and employment verification services nationwide. It provides verifiers an instant, automated solution for verification of employment, income and identity, based on payroll records contributed directly from thousands of employers.

Prior to using The Work Number, all verifier organizations must successfully pass a credentialing process, which validates legitimacy and permissible purpose, in compliance with the Fair Credit Reporting Act (FCRA). Over 200,000 credentialed verifiers rely on The Work Number to securely deliver fraud-proof information that virtually eliminates reliance on applicant-provided data, helps increase regulatory and internal compliance, while adding to operational consistency and efficiency.

In addition to permissible purpose, The Work Number also requires that verifiers have documented consent of the employee-consumer to access income information. Consent is generally established via a signed acknowledgement at the point of application for a loan or service. The Work Number fulfillment process is purpose-built for completing verifications and securely delivering critical decisioning data with unparalleled speed and efficiency.
