

Please note that this 2017-18 daycare list is not all inclusive. If your child is transportation eligible, we will serve any licensed daycare *within* your school's local attendance boundary or magnet transportation zone if applicable. The Transportation department also reserves the right to include any daycare it deems eligible. The list is periodically updated, so please check the website to make sure that you have the most current daycare list. If you have any questions please call (980) 343-6715.

Note - Future BOE decisions may impact daycare options.
